

# 5 REASONS TO APPLY TO THE MENTORSHIP PROGRAM

## FORMULATE A CAREER PATH

Many students join the board of private sector meteorologists Mentorship Program because they are unsure of the next step. Your mentor was once in the same position and had the same difficult questions. With their past experience, your mentor can provide career building advice and direction as you prepare for life after graduation.

## BUILD A RELATIONSHIP WITH A PROFESSIONAL METEOROLOGIST

Meteorology is a tight-knit community with a foundation of collaboration and friendships. This program will help you foster an invaluable relationship with a professional meteorologist who can share his/her far-reaching network.

## BROADEN KNOWLEDGE OF THE PRIVATE SECTOR

A Meteorology degree can lead to more opportunities than most realize. Your mentor can help you understand the various career paths in the private sector and explain how your meteorological background might guide you to a position that is not titled "meteorologist."

## LEARN HOW COURSEWORK TRANSLATES TO THE "REAL-WORLD"

After 15+ years of school, you will be entering a completely new environment. Experienced professionals can provide insight into what knowledge/skills they use daily to succeed in their positions.

## AN OPPORTUNITY TO SHARE EXPERIENCE AND KNOWLEDGE

Everyone needs some direction in their career. By becoming a mentor, you can contribute to a strong and charitable meteorological community while also growing and diversifying your network.
